

ISLE OF ARRAN

BREWERY

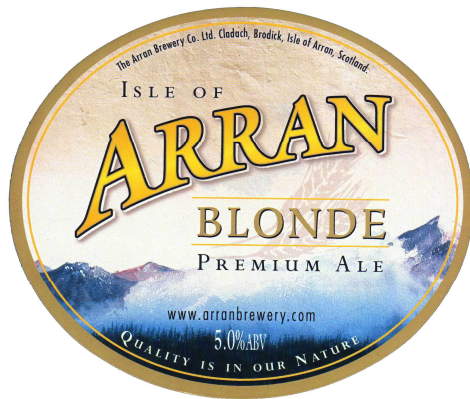

ARRAN BLONDE alc 5.0%

Isle of Arran Blonde Premium Beer is a product of its place: an island where nature still holds sway, where tradition is still valued. Arran blonde combines substance with zest, significance with freshness. A truly fine beer brewed from only the purest water and natural ingredients, and free of artificial additives or preservatives. Naturally.

A delicate floral hop aroma. A subtle, well balanced finish with good character. A pale golden beer, clear tasting, in a continental style.

In 2010 Arran Blonde won a silver medal at the International Beer Challenge, two gold stars in the Taste of Britain Awards and the World Beer Awards ranked Arran Blonde as the best beer in its class. Arran Blonde is made on the Isle of Arran using the best quality malted barley and wheat, fine Arran water and whole hops in a tradition that can be traced back 3,500 years.
